## Membership Application Form

Email completed forms to: [applications2025@rmsar.bc.ca](mailto:applications2025@rmsar.bc.ca)

Please describe your experience, if any, in the following areas:

Boat operations: \_\_\_\_\_

Mountaineering experience: \_\_\_\_\_

Winter travel skills: \_\_\_\_\_

Navigation skills: \_\_\_\_\_

Climbing/rope experience: \_\_\_\_\_

Other relevant skills: \_\_\_\_\_

---

---

### Commitment

Ridge Meadows Search and Rescue trains/meets every Wednesday night and periodically trains on weekends. Provincial courses typically run on weekends (Friday, Saturday, Sunday). New Members in Training must attend approximately 120 hours of Ground SAR classroom and field sessions, which are in addition to the team practice sessions.

SAR members are also involved in public relations and fundraising events. It is expected that team members participate in as many of these functions as possible. There are also committees that conduct other administrative work and team members are responsible for the upkeep up RMSAR equipment.

Please tell us why you would like to join Ridge Meadows Search and Rescue:
